The lunch on Tuesday will be served in the exhibit hall creating a special event to draw attendees to the exhibit floor. Door prizes will also be given away periodically in the afternoon to attendees in the trade show area.

Door Prizes

Vendors may choose to participate in door prizes drawings. The drawings will be held at each vendor's booth. Prizes will be given away at staggered times beginning at 1:30 p.m. ANHA has limited the number of door prizes to be given away to one per company. Drawings will be announced by ANHA staff. By having the door prizes given away at the vendor booth, it ensures that you receive recognition for the prize and you have the opportunity to directly approach the winner to promote your products and/or services. Vendors must draw the name of the door prize winner from the names collected by ANHA. This ensures that every individual has an equal chance in winning a prize. Only those participants present for the drawing are eligible to win.
