Shell Landing Golf Course

Golf Digest names Shell Landing among America's Best New Courses of 2002. The January 2003 issue ranked the Davis Love III championship design #5 in America in the Best New Upscale Public category, and the only one in the top 5 located in the South. In 2007 Shell Landing was recognized by Golf Digest when it was presented the "Architecture Award" in recognition of our outstanding design and was named among the "Best Golf Courses in the State." Exemplary personal service, five sets of tees, and immaculate course conditioning make a visit to Shell Landing a rewarding, enjoyable experience for golfers who demand the best. The Preserve Golf Course

Preserve Golf Club was designed by Jerry Pate, U. S. Open champion and award winning golf course designer. Mossy, majestic live oaks reach out over the course and tall, slender long leaf pines line the generous fairways. Wild, wiry grasses disperse texture and color against the smooth, rolling greens. The uniquely Southern cypress swamps, marshy wetlands and pitcher plant bogs scatter the area, adding diversity to the landscape and challenge to the game. The Preserve Golf Club is golf the way nature intended... uninterrupted, undisturbed, unparalleled, unbelievable. More information: <http://www.preservegc.com/>
