Asheville, North Carolina

Asheville is that type of unique, special place that lingers sweetly in your mind and memories for years to come. The city's rich architectural legacy with its mix of Art Deco, Beaux Arts and Neoclassical styles is the perfect retro-urban backdrop to the edgy energy that emanates from the locally owned-shops and art galleries, distinctive restaurants and exciting entertainment venues. Known as an art colony, a healing resort and a home to notable luminaries, statesmen and bohemians, Asheville is one of the most welcoming, vibrant cities in America.

A bastion of cutting-edge art and technology in the Blue Ridge, the city also prides itself on its fascinating Appalachian past and celebrates this culture with annual events such as Shindig on the Green. While many cities underwent major overhauls in past decades, Asheville's historic and architecturally diverse downtown remains beautifully preserved.

There's something special about Asheville, and the world is just beginning to discover it. This thriving mountain city features a funky and eclectic downtown, 30-plus art galleries downtown alone, a burgeoning culinary scene, a thriving live music scene and, of course, the awe-inspiring scenery of the Appalachian Mountains.

Asheville is the ultimate playground, with a wide diversity of outdoor adventures and the ideal destination for an active and healthy getaway.

Please visit the Asheville Chamber website for more information about the area:
