AIT/Preceptor Certification and Recertification Seminar

Presented by:

Katrina Magdon, Executive Secretary - AL Board of Examiners of NHA

Date: March 19, 2014

Location: Wynfrey Hotel – Birmingham, Alabama

1:30 PM – 3:30 PM

THIS IS THE ONLY OPPORTUNITY UNTIL NEXT SPRING TO ATTEND A PRECEPTOR TRAINING SEMINAR IN ALABAMA

All individuals interested in becoming a licensed nursing home administrator must complete a board approved Administrator-In-Training (AIT) Program. Participants will learn the rules and regulations regarding entry-level requirements for nursing home administrators, the length of the AIT program for applicants, and the qualifications for becoming a certified preceptor.

This session is designed to certify licensed nursing home administrators who are interested in conducting an AIT program in their facility as preceptors. In order to qualify to become a certified preceptor, individuals must have been a licensed and practicing administrator in Alabama for at least three years, or have been a licensed nursing home administrator for at least two years in another state and have been licensed and practicing in Alabama for at least one year, and with no disciplinary action having been taken against them in the last three years. Preceptor certification and re-certification, once approved, lasts for a three-year period of time.

The following topics will be discussed:

1. Complete overview of Board rules and regulations regarding the AIT program
2. Potential problems for AITs and Preceptors
3. Ways to help improve Preceptor's ability to train AITs - teaching, learning, motivating, and communicating
4. Adult learning techniques and challenges
5. Complete overview of the NAB Five-Step Program AIT Internship Manual
6. Complete session on how to design an AIT Program and ideas regarding how to best develop an effective and efficient AIT Program specifically suited for your facility and the AIT
